

What are the numbers telling you?

Understanding Financial Statements

Friday, April 7, 2017

Program: 9:00 a.m. – 12:00 Noon

Location:

**1040 Eberly Way, Suite 200
Lemont Furnace, PA 15456**

Fay-Penn will co-host this session through funding from the USDA Rural Microenterprise Assistance Program.

You have your financial reports...now what?

Financial reports are vital to all business operations. Understanding how to apply them is absolutely essential to profitability.

QuickBooks®, Peachtree, Sage and other sophisticated computerized accounting software are capable of generating mountains of data. Learn how to critically analyze this data to determine your business's solvency, risk and operating performance. Enhance your management decision-making skills and improve your bottom line by finally understanding those complicated financial reports.

Fee: \$45.00 per person

Payable by Visa, MasterCard, Check or Cash

Pre-Registration Required.
